Every 10 years after a census, our elected officials, in both parties,

END GERRYMANDERING by establishing a non-partisan, independent redistricting commission without conflicts of interest and making redistricting an open and fair process.

VOTE BY MAIL

PROBLEM

Current restrictions on absentee voting prevent many Texans from voting. This year an unprecedented number will be affected. Voters should never be forced to choose between their right to vote and their health and the health of others.

SOLUTION

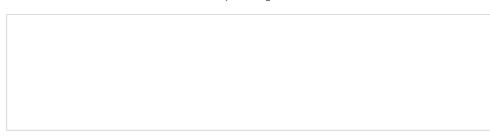

VOTE BY MAIL should be an option available (since we can Register to Vote by mail) to every Texan, not just those that meet specific criteria. Expanding the existing practice will guarantee fair, convenient, and safe elections for everyone.

MODERNIZE ELECTIONS

PROBLEM

Malfunctions and vulnerabilities plague our archaic voting systems, leaving Texans with no paper backup and no way to verify the accuracy and security of our vote.

SOLUTION

MODERNIZE ELECTIONS with new standardized voting systems and security-enhanced machines that generate a paper trail. Perform random recounts to verify the integrity of voting systems and our votes.

NEXT

PROBLEM

Conventional elections create party polarization and leave voters dissatisfied with their choice of candidates and "winners" who didn't receive majority support.

SOLUTION

RANKING YOUR CANDIDATES will reduce party polarization. Giving voters more choices without the "spoiler effect" will promote positive campaigning, increase voter satisfaction, and eliminate costly runoffs as election victories require a majority vote.

BAN THE BARRIERS

PROBLEM

Polling location closures, limited polling options, and restrictive polling legislation create barriers for many Texans, denying them equal access to exercise their right to vote.

SOLUTION

BAN THE BARRIERS that prevent suburban, rural, assisted living and college communities from conveniently voting. Overturn laws like the statewide closure of all temporary polling locations which resulted in unrealistic travel distances and unreasonably long lines for many Texas voters.

Feel free to share your thoughts about this issue:

PROBLEM

Paid lobbyists influence our elected officials with campaign donations, and lucrative job offers after they leave office. In exchange, — or fundraising for — incumbents and candidates, and prohibit while in office, politicians pass laws that favor the special interests of lobbyists.

SOLUTION

LIMIT THE LOBBYISTS by prohibiting paid lobbyists from donating to politicians from accepting paid positions as private sector lobbyists.

RETHINK REGISTRATION

PROBLEM

Our outdated voter registration system results in errors, inefficiencies and wasted taxpayer dollars that fuel partisan disputes over the integrity of voter rolls.

SOLUTION

RETHINK REGISTRATION by implementing Automatic, Online, and Same Day Registration to ensure that every eligible citizen can register to vote in a convenient, fair, secure, and less costly way.

PROBLEM

a result, those who are elected typically serve those wealthy donors rather than the people they represent.

SOLUTION

Candidates need access to deep-pocketed donors to run for office. As CLEAN UP ELECTIONS by adopting small donor programs that would allow for a greater diversity of candidates and more competitive races.

TUNE IN TEXAS

PROBLEM

The decades-long decline in public engagement has contributed to a decline in the public's influence over which policies our representatives enact and whose interests are served.

SOLUTION

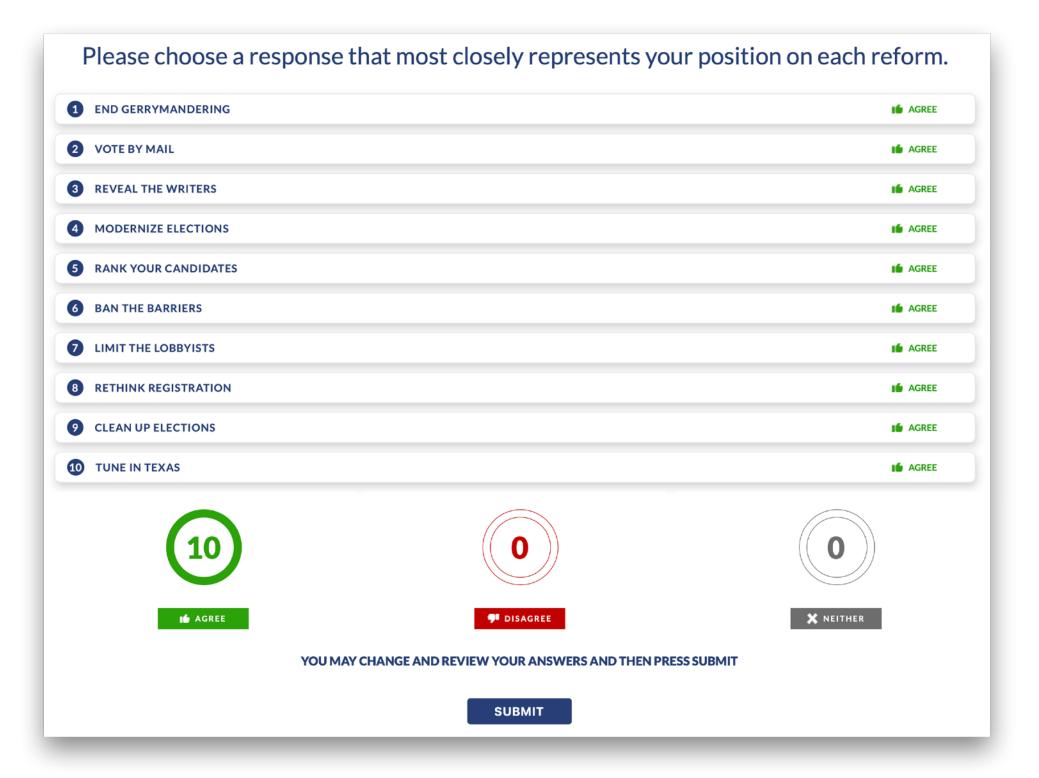

TUNE in TEXAS by creating opportunities to involve citizens in the political process. Programs aimed at informing the public and inviting them to collaborate with their representatives empower constituents and builds trust in our democracy.
